

STREET CAR MEN OF COLUMBUS ON STRIKE

Two Hundred and Fifty Union Men Walked Out Early This Morning, Tying Up More Than Half of City's Cars

PICKETS ARE INDUCING NON-UNION MEN TO QUIT

Police Unable to Cope With Situation and But Few Arrests Have Been Made--If Trouble Becomes Serious State Militia May be Mobilized in This City.

Columbus, O., April 29.—3 p. m.—At this hour not a single car in the city is moving and the situation is intense. Extra patrolmen have been placed on duty and the crowds are being dispersed and driven to the back streets. It is thought, for the present at least, that the local officials will be able to cope with the situation.

Columbus, April 29.—At four a. m. today 250 union car men went on a strike, tying up more than half the cars in the city. Those cars which were operated were slightly patronized.

Trouble began early when crowds surrounded cars, cutting trolley ropes and breaking windows. Pickets boarded every car and attempted to induce the non-union men to quit, being in many cases successful.

A Broad and Leonard car was attacked at the B. & O. railroad crossing, two inspectors and the crew were overpowered and the car was almost destroyed.

The police were unable to cope with the situation and no arrests were made.

At Livingston avenue John Rader, a farmer, was arrested for stoning a car and jailed on an intoxication charge.

A non-union motorman at the West Side barns, who took charge of a car after the crew had been induced to quit, started his car into a crowd of about 200, and many were bruised and injured in the crush to get out of the way.

General Manager Stewart, disgusted at the lack of police protection attempted to prevent the cutting of a trolley rope on a High street car. As he rushed at the boy he was met by a blow in the face from the lad's fist. His assailant escaped into the crowd.

Mayor Marshall is in personal charge of the police and is attempting to induce union pickets to refrain from violence. Postmaster Harry Krumm announced that if the U. S. mail cars were in any way interfered with, the Federal troops from the state barracks would be called out.

General Manager Stewart announced the strikers would never be taken back, and that the men who remained with the company would be given the best paying jobs he had to offer.

If rioting becomes general the state militia may be called upon, and it is possible that troops may be mobilized in one of the nearby cities, probably Newark, as that place would be the best available for the purpose.

After a conference this afternoon between the mayor and Manager Stewart, the latter announced that Mayor Marshall had promised to have 200 policemen on duty late today, when another attempt will be made to run the cars, which were all withdrawn at noon. Two circuses are in town today and trouble is expected when the car company attempts to handle the crowd. Two policemen will ride on every car.

A canvass of the damage done this morning shows that many cars were wrecked and the loss will reach hundreds of dollars. Stewart says he will hold the city liable for the damage done because they failed to furnish proper protection.

Capt. Knauss interviewed. Local military men have heard nothing of the proposed mobilization of state troops in Newark, in case the street car strike in Columbus assumes serious proportions, but as it is customary to mobilize in a city near where the strike is on, this might happen in this city.

Capt. W. H. Knauss is of the opinion that if it did become necessary to call out state troops, which he thinks is hardly likely, about four companies of the Seventh regiment, the entire Eighth regiment and part of the Fifth regiment will be mobilized here, for these are the companies which are the closest to Newark, and they could be sent here to await orders from Columbus, in a very short time.

CONGRATULATIONS WIRED BY GOVERNOR

Columbus, O., April 29.—Governor Harmon sent a message of congratulation today to John W. Kern, nominated yesterday for Democratic senator from Indiana. Harmon wired:

"In war it is an honor to be a volunteer; in peace it is an honor to be drafted."

PRES. TAFT

Starts Tonight on His Speech-making Tour of the West—Will Try to Placate Insurgents.

Washington, April 29.—President Taft starts tonight on his speech-making trip through the west. Anything that might possibly offend, even the most fastidious politician, has been cut from his speeches and no attempt will be made to read anyone out of the party. He will be in Cincinnati Tuesday.

MRS. SWOPE WILL TAKE WITNESS STAND TODAY

Kansas City, Mo., April 29.—The greatest part of the state's evidence seeking to convict Dr. B. Clarke Hyde of the murder of Colonel Thomas H. Swope, is now before the jury, and the defense will soon be able to present its side. It is expected that Mrs. Logan D. Swope, sister-in-law of the dead philanthropist, and mother of Frances Hyde, Dr. Hyde's wife, will take the stand today.

Unless the defense objects and is sustained by the court, Mrs. Swope will tell the whole story of how she claims Dr. Hyde, after eloping with her daughter and getting into the family, sought to do away with the heirs of Colonel Swope's estate one by one so that he might come in possession of the wealth through his wife.

SENATE WILL INVESTIGATE BOOK CONCERN

Columbus, April 29.—The Senate today, by a vote of 23 to 6, passed a resolution by Yount authorizing the appointment of a joint committee of six to investigate recent developments in the fight against the Yount uniform text book bill, which after passing the senate was held up in the house, and also the business transactions of the American Book company in Ohio.

The Tod bill making it mandatory upon judges to impose penitentiary sentences upon persons convicted of bribing public officials was defeated in the house today.

The house finance committee reported back the Aldorf bill concentrating the management of state institutions in a central board of five men, with an amendment to reduce the boards to three members and give them charge of only the penitentiary, the Mansfield reformatory, the Lancaster boys' home and the Delaware girls' home.

Teeth which menaced the corporations were extracted today in the senate from the Matthews bill making it mandatory upon the court to oust from its charter any corporation convicted of violating the anti-trust laws. An amendment by Patterson giving the judges "discretionary powers" was carried 16 to 10.

What famous playwright? Answer to Thursday's puzzle—Eagle.

GENERAL NELSON A. MILES, U. S. A., RETIRED

Washington, April 29.—General Nelson A. Miles of the United States army, retired, who was thrown from his horse while riding in Potomac

park, was injured more seriously than first announced. When picked up General Miles was unconscious, but it was not until later that it was discovered he had sustained a broken rib and internal injuries. How serious the latter will prove the attending physicians have not announced.

INCREASED PAY RECEIVED BY OPERATORS

New York, April 29.—The Postal Telegraph Cable company announced that on June 1, it will make substantial increase in the wages of its telegraphers in all important offices of its system.

Those offices are to be classified according to their comparative importance. The increase will be selective, and will run from five and in some cases as high as twenty-five per cent.

Careful examination and full inquiry will be made as to the merits of each individual operator, ability to be the first requisite, years of experience and other special fitness will count in each man's favor and all will be graded accordingly.

Efficient and deserving operators will receive pay commensurate with the value of the work that they are able to perform and less experience and new operators will have greater opportunity to demonstrate their fitness for advancement in pay or promotion in other ways.

KILLED BY BUSTED FLYWHEEL

Chillicothe, O., April 29.—Peter Spangler, aged 33, was instantly killed at the Mead paper mills by the bursting of a flywheel. His body was torn to shreds.

HUNDREDS OF JEWS BEING MASSACRED

Kieff, Russia, April 29.—Hundreds of Jews were massacred here yesterday by the Russian peasantry during an invasion of the Ghetto. Appeals of the Jews to the Governor General have been ignored. The most fearful atrocities are being committed upon men, women and children alike. Twenty-five hundred Jewish families were expelled from the city.

FORMER RESIDENT OF SUMMIT STATION MURDERED BY HOBO

Mr. J. S. Axline of Summit Station, has received a copy of the Arizona Republican, containing a thrilling account of the shooting by a hobo of S. S. Stowell at Mesa, Arizona. Mr. Stowell was a former well known resident of Summit Station, and for a time station agent at that place. Mr. Stowell has for a long time occupied the position of conductor on the Phoenix and Eastern railway. He was in charge of a freight train and ordered the man who did the shooting to leave the train, when the fellow pulled a revolver and shot at the nervous conductor, the shot taking effect in his head. Conductor Stowell fell and a number of men took after the hobo and succeeded in capturing him. The man said that Mr. Stowell had struck him. He said that he got on the train and that he paid a brakeman to let him ride to Phoenix, and when the conductor ordered him to leave the train and he replied that his

MISS RUTH BRYAN LEAVITT AND REGINALD OWEN OF THE BRITISH ROYAL ENGINEERS

Lincoln, Neb., April 29.—The marriage of Ruth Bryan Leavitt, daughter of William Jennings Bryan, to Reginald Owen of the British Royal engineers, will be held here May 3. After the ceremony the couple will leave for the ancestral halls of the groom in England. The marriage will be the culmination of a romance of short duration and that has been conducted very quietly. In March, 1909, Mrs. Leavitt obtained

SEC. BALLINGER ON THE STAND IN HIS OWN DEFENSE TODAY

Washington, April 29.—Secretary Ballinger on the stand in his own defense today accused Glavis of lying to the investigating committee. Some of the other important statements Ballinger made were:

That he acted properly when he clear listed the Cunningham claims and would do it again.

That he had never had an interest in Alaska lands.

That he had only taken the job as land commissioner because Roosevelt and Garfield forced his accepting it.

That Special Agent Jones, as well as Glavis, lied in his testimony.

That when he appeared before the house committee in favor of the Calk bill it was at the request of Roosevelt.

KERN ACCEPTS NOMINATION

Indianapolis, April 29.—John W. Kern dispelled the apprehension of his friends today when he formally accepted the candidacy for United States senator.

BIG DOIN'S FOR TEDDY

New York, April 29.—The "Teddy Day" when committee has completed arrangements for the Colonel's welcome. A fleet of yachts and excursion boats will meet him at quarantine. Mayor Gagner will welcome him at the Battery and a monster parade with a detail of rough riders will escort him up Fifth avenue.

CLUBBED HEIRESS IN BOATHOUSE

Posse Formed to Capture Youth and Sheriff is Wounded

URNS RIFLE ON SELF

Bank Clerk Who Started on Canoeing Party Caused the Tragedy.

New York, April 29.—Frenzied by fear of punishment for his attack on Miss Anna Kippis of Rutherford, Clarence C. P. Wood, 19 years old, barricaded himself in the clubhouse of the Rutherford Boat club and for more than five hours kept a posse of police at bay after he had seriously wounded its chief, Charles Smith. He held this position until the realization of the futility of further resistance became apparent, when he killed himself.

Wood was a clerk for the Guaranty Trust company in New York, but yesterday went to the Rutherford Boat club, which is situated on the bank of Hackensack river.

There he met Miss Kippis, 19, daughter of Stanley C. Kippis, cashier of the Bergen County bank in Rutherford. She had the permission of her parents to go on what was to be a canoeing party only after her father had done all in his power to prevent her going because of his premonition of impending misfortune.

Just what occurred within the clubhouse is more or less problematical, but a boatman who was working near by said he heard screams, after which Miss Kippis appeared at the door, her face stained crimson, and she began to run in the direction of Hefflick's hotel, tottering along the narrow walk.

Others who were close by at the time, which was about 3 o'clock in the morning, said Wood and the girl prepared a boat and were ready to start, when he asked her to go back into the house for a moment.

She complied and he followed, where, from her story, he struck her from behind with a club.

At the hotel the girl was cared for by the proprietor's wife, who sent word to Rutherford of the attack. It was necessary to put 13 stitches in her scalp, the wound being a long, jagged one.

The boy remained in the boathouse and piled all the chairs and other furniture against the side entrance to the plant, from which he expected an attack would come. Sheriff's Smith and McClelland, who arrived with Walter Kippis, started for the boathouse.

They were within a hundred yards when the young desperado opened fire with a rifle, and Smith was shot in the right arm above the elbow.

Wood kept firing at the posse as it fled to the hotel.

Later, when the boy had stopped firing, police broke into the boathouse and found Wood lying dead on the floor, a bullet through his head.

GIRL TELLS STORY.

Rutherford, N. J., April 29.—Recovering from the effects of the brutal blows showered upon her in her fight for honor against Clarence P. Wood, who after holding a posse at bay shot and killed himself in the Rutherford boat house late yesterday, Miss Anna Kippis was able today to tell the story of the struggle.

"Clarence and I were going fishing," she said. "When we reached the boat house he went in to get the cushions for the launch. He called to me to come and help him. As I entered he struck me a heavy blow with a short club. I staggered back but as he came at me again I struck him full in the face and knocked him down. He rushed at me again and the club laid open my head. I struck him twice and staggered out of the boat house. The next thing I remember I was being carried into our house by my mother."

"Wood was a fiend and I am not sorry he is dead."

ROUTE OF THE CIRCUS PARADE

The twenty-four hour man for the great Hagenback-Wallace circus which arrives in Newark Saturday was in the city today and laid out the route of the parade which will be given tomorrow morning at 10:30 o'clock.

Leaving the show grounds at Eleventh street the parade will proceed east on Church to Third, thence around the square to Main and west on Main to Eighth, north to Church and then to show lot.

BUCKEYE LAKE PARK WILL OPEN FOR THE SEASON

Buckeye Lake Park, the mecca for all pleasure seekers, will be thrown open to the public on Sunday, May 1, and if the day brings nice weather, undoubtedly the event will prove a record breaker for attendance.

The park ever popular with everyone from the man who wishes to enjoy a quiet recreation with his family to the "good fellows" seeking excitement, gives promise of being one of the most successful seasons in its history. Under the management of Mr. W. D. Harris, Buckeye Lake Park has attained a fame as an ideal summer resort that has extended beyond the confines of the state and into the West. Mr. Harris will add further glory to his laurels by the many improvements which he has added, which will be appreciated by all from the cottagers, who spend months there, to the transient guest, who can spare but a day from his arduous duties.

The car service has proven an objectionable feature to many in the past, owing to the transfer which had to be made from cars from Zanesville, Columbus and Newark at Hoboken to the Buckeye Lake cars. The connections were bad at times and on big days, in the great crush, it would seem that accidents would be unavoidable when home-coming cars had to be boarded twice. However, this bad feature has been removed and the management has arranged with the Ohio Electric Railway company, whereby hourly service has been secured from the three aforementioned cities direct to the lake, all cars with the exception of the "Uniteds" coming straight through from Zanesville to Columbus and via versa by way of Buckeye Lake. The advantage will bring many people to the lake who did not care to take the unnecessary amount of trouble before.

Improvements have been in progress for some months and hundreds of workmen have been engaged in rushing the work. The beautiful weather last month aided them materially but the bad weather of the past few weeks has somewhat retarded their efforts, however, by Sunday the finishing touches will have all been applied, and it will present a nice appearance with the new additions, fresh paint and "fixings".

Listing the improvements, it is safe to place the changes undergone at the dancing pavilion heading the list. A double floor, one of the clearest dancing floors known to human ingenuity, has been placed in the pavilion and the strenuous treatment it has undergone in the past few weeks has likened it unto a mirror. The Auditorium theatre orchestra of seven pieces has been engaged for the season and under the direction of Prof. Charles Smith, an elegant dance program has been arranged.

An unparalleled boat service has long been a feature at the lake, and the Del Fisher boat line will again take the regular schedule to all points on the lake Sunday. All points have always been touched during the past season, but this year more stops will be made and additional boats have been added. All the rowboats and launches have been repainted and thoroughly overhauled and there is now a supply sufficient for the largest crowd. The fishermen can secure all the desired paraphernalia and a good "sea-worthy" boat, while the careless pleasure seeker can have one of the daintiest of rowers.

Hotel accommodations have always been the best, and every pains taken in the life of a hotel, but the big Harris Hotel at the park proper will reopen this year under the most capable management and will be in every way an up-to-date hostelry. It is most desirably located and is surrounded by a spacious balcony thrown open at all times to the guests. The dining hall will be in connection with the hotel and the best of service will be given.

The concession booths have all been completely reworked and will be opened for the first time this season Sunday, and the quality and choice from which to make selection is ever better, if possible, than in previous years. The drinking water at the lake has not always been the most palatable in times past, but this too, has been removed for the pure drinking water has been piped over all the grounds.

One of the greatest features of the park is the excellent concessions offered for boating purposes. The water is ever dotted with pleasure crafts of all kinds, from the sail boat with its great white wings to the speed motor that is swift as a deer. This season will mark the opening of a new area of many new boats and the lake boat line and the new rowing and canoeing parties will attract many an home-seeker and transient. Then rest will be needed, this for the Buckeye Lake Hotel has erected an elegant club house at the lake and a number of "beach houses" are planned for the season of 1910.

The number of cottages at the lake this year is great and will be sold when Buckeye Lake first opens in the park, were somewhat increased in number, the later ones are better than the old ones and even more comfortable and luxury is to be found in these summer homes. Gas at the lake has long been one of the greatest comforts to be had.

While no big entertainment program have been secured in time for the coming Sunday, after the week has elapsed the full suite of the summer season Manager Harris has a number of surprises for his patrons.

Buckeye Lake has a large following in Columbus and Zanesville, aside from Newark, and the suburban points are big contributors, so it is the dear old weather man will set over his ground, and give us a nice spring day, the park will be taxed to the care of the crowd of merry makers and pleasure seekers.

REMARKS WERE APPRECIATED

To the Presiding Elders and Members of the District Conference.
Whereas, We as a conference of ministers and delegates of the African Methodist Church, have been highly favored with words of elaborate information and explanation in regards to the working and conditions of the Newark High school; by Professor Williams, the principal.

Therefore, that it may be known that we appreciate his remarks, we record our appreciation by a standing vote.

How the Prevent Gray Hair

When gray hairs first begin to appear, prompt action should be taken to nourish the scalp and prevent their further spread. Regular brushing, massage of the scalp and occasional shampooing help to prolong the vitality of the hair and preserve its natural color. But it is absolutely essential that these methods be assisted with some form of vital nourishment which the decaying roots of the hair can absorb. Numerous preparations for this purpose have appeared on the market during the past twenty years, but many of them have proved more harmful than otherwise. It is now agreed by competent authorities and those who have put it to the severest tests that **HAY'S HAIR HEALTH** is the safest and most effective preparation for restoring prematurely gray hair and furnishing the right food to the scalp. Its constantly increasing sale and the fact that it has held its great popularity for nearly a quarter of a century is proof that this scientific preparation does the work to the entire satisfaction of users. All reliable druggists recommend it and sell it in 50 cent and dollar bottles, or it can be purchased from the manufacturer, **Phillip Hay Specialties Co., Newark, N. J., U. S. A.**

AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis.—"Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me."—MRS. EMMA LENSE, 633 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

BASEBALL DELAYS SENATE

Upper House is Filled With Fans.

SUNNY JIM SHERMAN AT HEAD

Counting a Quorum at the Ball Park. House Will Appropriately For the Tariff Commission—Lawyer Holds Specter of Death Before Supreme Court.

Washington, April 29.—The charge is now made that baseball is holding up senate legislation, as it is impossible to get a quorum when there is a game on. Senator Ekins recently refused to have a vote on an important amendment to the railroad bill for the reason that too many senators were at the ball game. Perhaps the most enthusiastic fan of them all is the vice president. It has been suggested that if "Sunny Jim" would take his gavel along he might get a quorum almost any sunny afternoon when the Washington team is wrestling with its competitors on the home grounds. It is to be feared, however, that senatorial dignity on the bleachers and grand stand would not be exactly up to senatorial dignity under the big dome.

A Real Tariff Commission.
It is now practically assured that the house will make the appropriation for the tariff commission asked for by the president and will clothe that body with powers to investigate the tariff at home and abroad. The commission was sadly crippled in the senate and conference committee at the extra session and was left with little money and with powers limited to helping the president in adjusting the maximum and minimum clause of the law. Despite the untimely action of congress Mr. Taft directed the commission to investigate the general subject, fully told congress what he had done and asked for an appropriation and a law to enable the commission to go into the whole tariff question and to determine difference in cost of production at home and abroad.

Jarring the Supreme Court.
Senator Purcell in his maiden speech referred to the number of vacancies and probable vacancies in the supreme court, but that was not a marker to a lawyer who made even a more pointed remark on the same line when arguing a case before the court itself. He was urging speedy action on his case and gave as a reason that since it had come before the court there had been two deaths and intimated that there might be others, since two of the justices are already long past the retiring age and another one is ill. It must have been rather a severe jolt to the white headed gentlemen on the bench, but beyond looking mildly surprised there was no reference to the somewhat unfeeling statement.

Still Running Roosevelt.
Washington cannot get over the feeling that Theodore Roosevelt ought to run for something or other and for want of any other office to put him in has revived the talk of electing him to the senate from New York. The only precedent for sending an ex-president to the senate is Andrew Johnson, and he died shortly after being elected. In regard to Roosevelt, it might be as well to wait and consult him before electing him to this office or any other, as he has quite decided views on matters of this kind. The latest suggestion as to his being a candidate for president comes from ex-Governor Folk of Missouri, who is himself a candidate for the Democratic nomination. Folk intimates that Roosevelt might head a third party ticket.

Wickersham as State Boss.
The latest gossip as to New York politics is that Attorney General Wickersham is becoming the actual administration leader by that state and has had a hand in the Aldis verdict, the ordering of a thorough investigation in the assembly, the defeat of Aldridge and other recent happenings. The same story has it that later Wickersham will see to it that State Chairman Woodruff is retired. It has even been intimated that the attorney general might become the Republican candidate for governor. Now, about all the facts discernible in this are that Wickersham is an active administration factor all over the country and that this activity is undoubtedly especially in evidence in his own state. But that he aspires to state leadership or that he would consent to be a candidate for governor is most improbable. Wickersham is not of the type that goes about his work with a brass band, so that his movements in the political realm are more or less in mystery. It is true, however, that he is the adviser and often the representative of the president, who reposes the utmost confidence in him.

Taft's Double a Policeman.
President Taft has discovered his double in Desk Sergeant Thomas J. Morley of the Pittsburgh police and has been so struck by the resemblance that he invited Morley to sit beside him at the Pittsburgh ball game. It is related that Morley recently attended a theater, where he was mistaken for the president and was cheered and compelled to hold a public reception. There is no law against a policeman looking like a president if he wants to and has sufficient avoirdupois.

WYETH'S SAGE AND SULPHUR HAIR REMEDY

The Only True Hair Restorer, Tonic and Rejuvenator

ALMOST A MIRACLE

My hair was as white as snow when I commenced using Wyeth's Sage and Sulphur Hair Remedy. One bottle restored my hair to its natural dark brown color. As I am now 70 years old, I consider the result most remarkable. It is an agreeable and refreshing hair dressing, keeping the hair soft and glossy, without being in the least greasy or sticky.

WM. WESTLAKE,
210 West Main Street, Rochester, N. Y.

THAT'S IT!

NO MORE GRAY HAIR
NO MORE BALDHEADS
NO MORE DANDRUFF

Why hesitate when WYETH'S SAGE AND SULPHUR HAIR REMEDY is daily producing just such results?

After years of study and analysis of the hair, we have been able to produce an ideal Hair Tonic and Restorer, which contains an actual constituent of hair, combined with ingredients of recognized merit for treatment of hair and scalp diseases. It makes and keeps the scalp clean and healthy, gives life, strength and lustre to the hair, and restores faded and gray hair to natural color.

No matter how long and thick your hair is, WYETH'S SAGE AND SULPHUR HAIR REMEDY will make it longer and thicker. It will remove every trace of dandruff in a few days, stop falling in one week, and start a new growth in from one to three months.

These are facts that have been proven in scores of cases. WYETH'S SAGE AND SULPHUR HAIR REMEDY is guaranteed to do all that it is claimed to do or the price will be refunded.

ADMINISTRATOR'S SALE.

M. I. Reese, Administrator of the Estate of Alva W. Wilcox, Plaintiff, vs. Cora A. Wilcox, et al., Defendants.

In pursuance to an order of sale to me directed by the common pleas court of Licking County, Ohio, I will offer for sale at public auction at the south door of the court house in Newark, Licking County, Ohio, at 1:30 p. m., on Monday, May 14, 1916, the undivided one-half interest of the following described premises situated in the state of Ohio, county of Licking, and city of Newark:

Commencing where the west line of North Fifth Street intersects the north line of West Main Street in said city, thence northerly on the west line of North Fifth Street, fifty (50) feet; thence westerly along a line parallel with the north line of West Main Street, one hundred and fifty (150) feet to the east line of the High School Building lot; thence southerly along the east line of the High School Building lot, fifty (50) feet to the north line of West Main Street; thence easterly along the north line of West Main Street to the place of beginning. Being the same premises conveyed by William D. Fulton and wife to Alva W. Wilcox and Charles W. Miller by deed dated February 6th, 1901, recorded in Vol. 180, page 268, of the Deed Record of said Licking County, Ohio. Said premises are known as the "Avon" Apartment Building, located at the northwest corner of West Main and North Fifth Streets in said city.

Said sale to be for all cash or for one third cash on day of sale, one third in one year and one third in two years from date of sale, at the option of the purchaser. Deferred payments, if any, to bear six per cent interest from date, and to be secured by first mortgage upon the premises sold.

Appraised at \$17,000.00.

TOOK ALONG WARDROBE AS A SOUVENIR

The colored waiters at the Warden are up in arms against one of their brethren who has skipped out, and with him he is supposed to have taken a coat and some other stuff owned by some of the others of the waiter clan. Early Friday morning John Jones, one of the crew that looks after the appetites of the hungry in the Warden dining room, swore out a warrant charging Henry Hutchinson with stealing a coat from him valued at \$14, and he also stated that some of the other help at the hostelry had lost articles of more or less value. Hutchinson is supposed to have gone to either Zanesville or Darton, and the police are looking for him.

CAUSES DEBILITY

Here are Facts Backed Up by a Strong Guarantee.

Catarrh causes debility. In our opinion, most people suffering from general debility have catarrh. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarrh. In every case where our remedy fails to give entire satisfaction we will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We will take all the risk; no one else can lose anything by the transaction.

We make those statements and this offer because we know and have time and again proved that Rexall Mucin-Tone rarely fails to do as we claim. It is not a cure-all prescribed to cure every disease that flesh is heir to. It is intended for one purpose, i. e., to cure catarrh by assailing the diseased condition in a reasonable, scientific way, which is to employ agents that have been found to have the tonic and alternative power to correct faulty metabolism (tissue change) and to stimulate and help nature overcome the cause or causes of catarrh. This being done, appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the zest natural to the perfectly healthy individual.

We want you to try Rexall Mucin-Tone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell us and the money you paid for the treatment will be returned without any argument whatever. Rexall Mucin-Tone comes in two sizes, 50c. and \$1.00 a bottle. Sold only at our store—The Rexall Store, Hall's Drug Store, 10, N. Side Square.

INCREASE WEIGHT QUICKLY.

Simple Way for the Thin and Pale to Be Plump and Rosy.

Samose can hardly be termed a medicine, it is in reality, a flesh-forming food. Taken before or after meals, it mingles with the food you eat, enables it to assimilate and readily digest, so as to make rich blood and pleasing plumpness.

After Samose has been used a week or ten days a noticeable gain in weight is seen. The sallow complexion will become rosy, the sunken cheeks will have a ruddy glow, the eyes will be bright, the breath sweet and the step elastic.

With the return of good health following the use of Samose, emaciation is overcome, and the thin and scrawny are once more plump and rosy.

W. A. Erman & Son's customers have told them of the remarkable results following the use of Samose, the great flesh forming food, and they are so thoroughly convinced of its reliability that they are selling it under their personal guarantee to refund the money if it does not do all that is claimed for it. Sent postpaid on receipt of price, 50 cents.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N.Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N.Y., on every bottle.

DENISON DEFEATED IN FAST EXHIBITION GAME

Molders Get Away in Good Style and Collegians Take Short End of Score Thursday

Present Team Looks Superior to One of Last Season--Small Crowd Braves Chill Weather to See Squad at Work.

Newark, N. J., April 28.—The Newark Molders' team, which has been making a name for itself in the local baseball circles, was defeated today by the Rutgers team in a fast exhibition game. The Molders, who are considered one of the best teams in the state, were defeated by a score of 10 to 2. The game was played at the Rutgers grounds and was attended by a small crowd of spectators. The weather was very cold and the game was played in the evening.

SHORT NOTES FROM OVER THE CIRCUIT

The schedule for the coming season has been sent to the different papers over the circuit and will be published Saturday.

Marion takes on Dayton today and Justin may work against the Diggers. Sunday the Toledo Colts will be the attraction.

Dick Thompson of Shawnee has appeared to the Marion management for a try out. He claims to have had a good deal of experience. He is an outfielder.

Wm. S. Murray has been appointed the business manager of the Lima club for the season. He was formerly connected with the business end of the Columbus club.

C. W. Dutton and C. V. Young of Augusta, have applied to Manager Robinson for a try out.

"Pop" Smith who was traded to the Haverhill, Mass. club has been released and is a free agent to the Marion management. Tom Fleming, base at Haverhill, says that Smith showed up badly as an outfielder and that he was not much of an infielder. Something must have gone wrong with Smith this spring, for he made such a poor show.

Marion, April 29.—Ford Drumm's Canoe team beat Marion yesterday 7 to 1, in the mud. Marion really hit the ball harder than Canton, but not at the right time. Misplays in the local outfield caused defeat. Score: Marion 7, Canton 1.

Batteries—Gouldie and Reilly; Williams, Fox and Williams.

FOR WOMAN'S EYE

The Harmonious club was entertained by Mrs. Ines Davis of North Fourth street Tuesday afternoon and night. All the members answered to roll call. Several hours were spent in needle work and social conversation, and in the contests Mrs. Charles J. Grief and Mrs. Will Canterbury were the lucky persons. At five o'clock an elegant course luncheon was served. The next meeting will be held at the home of Mrs. Otto Runey and all are urged to be present.

The marriage of Miss Margaret Isabella Hatch, daughter of Mr. and Mrs. Fred S. Hatch, and Mr. Carl Huston Snyder, son of Mr. and Mrs. J. M. Snyder of 755 Neil avenue, will take place soon. Miss Hatch entertains on the afternoon and evening of May 2 and on May 4 - Ohio State Journal.

Mrs. Hatch is a first cousin of Misses Marian, Ruth and Bernice Hatch of West Church street. She has many friends in this city made upon a number of visits here.

The Y. M. C. A. boys of the grade school gym class made a friendly call on Physical Director Livingston and Mrs. Livingston last evening and left a token of their appreciation and good will in the form of a silver bowl, wrapped in many papers, until it looked like a trunk. They furnished special wedding music of their own composition, which may have lacked harmony and rhythm, but made it all up in force and earnestness. It was a jolly gathering.

The Corrie club is being entertained this afternoon by Mrs. Clifford Frye of North Fourth street. This is the last meeting of the club this year.

KRIEGER-MARKHAM.

At 8 o'clock Thursday evening in St. Paul's Lutheran parsonage, 24 North Fifth street, Rev. G. B. Schmidt united in the holy bonds of matrimony Miss M. Mae Markham, daughter of Mr. and Mrs. Richard Markham of 130 West Main street and formerly a saleslady at the Powers-Miller company, and Mr. Otto Krieger, a popular molder at the Wehrle company. The beautiful ring ceremony was used. After the service the happy couple went to the home of the bride's

ROBBINS-BARRINGER.

Announcements have been received here of the marriage on Monday of this week of Miss Pearl Barringer and Mr. Archibald Robbins, both of Toledo. Mrs. Robbins formerly resided here and is the niece of Mrs. Mary Madigan, of 258 Lawrence street, this city. Mr. Robbins is connected with the Overland Automobile company of Toledo.

Maids of Honor—Line some pear pans with paste. Then make the following mixture: Soak for half an hour in water one tablespoonful of sago then boil it for a few minutes till it is cooked and thick; put in a basin a quarter pound of sugar, a quarter pound of butter and beat to cream; add two well beaten eggs, and beat again; then add two ounces of cocoanut, grated rind and strained juice of half a lemon, mix well, and last of all, one tablespoonful of the boiled sago; mix all thoroughly; nearly fill the lined pans, and bake till cooked.

Sorrel Soup—Allow one onion, a few leaves of lettuce, spinach or celery chopped fine, two eggs, one cupful of milk, two tablespoonfuls of flour, salt, pepper and nutmeg to season. Put one tablespoonful of olive oil or butter in a saucepan, and when hot add the chopped vegetables. Cover and steam in their own juices 15 minutes, then add the flour. When incorporated with the rest of the mixture add three pints of boiling water and cook until smooth and slightly thickened. Just before serving add one cupful of hot milk and beaten eggs and serve with croutons.

Heart and Home Talks

The Domination of Names.

It's strange how high-sounding names impress us. It is like the brass buttons and gilt braid of a uniform. A man in civilian's clothes isn't half so impressive as in soldier's togs, while even a small boy has no respect for a policeman without his uniform. It seems as if one's mind can't grow up.

It's for this reason that those who deal with the public pay those who can conjure with words big sums to produce imposing names for their wares.

Who, for instance, would lodge at a hotel with the unpretentious name of the Simeon House, when he could go to the Royal Fig Bush? One says quite loudly so that all may hear, "Yes, the Royal Fig Bush," and sweeps haughtily out of the Pullman after the porter. And the other passengers sigh with envy as they gaze out of the windows at the hostelry all ablaze with lights and wish they might stay at the Royal Fig Bush. It's the "Royal" that does it. Just plain "Fig Bush" would have had no weight.

Who would buy at a "store" when they can purchase at a "Grand Emporium"? It is so satisfying to see the wagon rattle up with "Grand Emporium" in big, gilt letters on its sides and the boxes and bundles handed out with "Grand Emporium" in big, black letters all over them. Life takes on dignity.

Even the word "Shop," now that it has become an affectation, enhances the value of its wares. Not, of course, butcher shop or barber shop or anything so plebeian. But put "Art Shop" over some little hole in the wall and a few skinny, long-necked vases in the window and one passes respectfully by the "picture store" next door to buy in this "charming and artistic little place."

What a spell a name will weave! Many a piece of sturdy, well-made American goods will not sell until a merchant gives it a fantastic foreign name and then people scramble for it.

Probably it is because we have so few standards as yet. We haven't put the right value on the real things and so we put a fictitious value on the unreal. We haven't yet realized as a people that truth and sincerity and genuineness and honesty, even when they come in plain garb, are the real measure of value. So we have not the courage to go to the Simeon House when we would gain so much more importance by going to the Royal Fig Bush. We go simply for the name's sake and the prestige it gives us.

Some there are to be sure who go to the Simeon instead of the Royal Fig Bush if they find they get better accommodations for their money. Some housewives will buy at the store where they secure best value, even if the goods are delivered in a push cart or a one-horse wagon, without any name whatever, and the neighbors all wonder where Mrs. Blank buys her things.

This is as it should be. These people have their standards and courage enough to live up to them. The time will come when all will know the real values, measure life by them and be the happier thereby.

But, meantime, the imperious sway of names goes on. The land is full of "Palaces," of "Royal" and "Majestic" and "Imperial." This, That, and the Other, and we bow to them and let them extract good dollars from our pockets on the strength of a name.

ALL SHOULD BE THANKFUL

It is welcome news to a large majority of the people of Ohio that this Legislature is to shorten its career of uselessness by practically quitting tomorrow. A recess is to be taken until May 10, when final adjournment takes place. In all the State's history no Legislature has been in session that more deserved condemnation and ridicule than the present one. Governor Harmon is certainly to be congratulated over the adjournment, for the session has been a great detriment to the success of his administration.

COURT NEWS

Overruled Motion.
In the case of the State of Ohio vs. Henry Richardson, who was found guilty of assault and battery on his 16-year-old daughter, Jessie Richardson, by a jury in the probate court last week, a motion for a new trial was filed Friday morning. The motion was argued by Attorney Link Russell, for the defendant, and by Attorney B. G. Smythe for the state. Judge Brister, after hearing the arguments, overruled the motion, and the defendant gave notice of the filing of a petition in error in the circuit court, and Judge Brister fixed the bond at \$200.

Divorce Case Hearing.
The case of Minta Forgraves vs. Wm. Forgraves, for divorce, came up in probate court Friday morning. The petition was filed some time ago by B. G. Smythe, but the defendant filed no answer. Friday morning, by his attorney, J. V. Hilliard, he filed a general denial, and the case was set down for hearing next Wednesday morning at 9 o'clock.

Common Pleas.
The trial of the suit to contest the will of the late E. F. Haas was resumed to the court and jury, the defense now introducing their testimony. An adjournment of the case was taken to Monday morning, when the trial will be again taken up. The court made a readjustment of the assignment of cases for trial. The criminal assignment will be taken up on May 12. The cases heretofore on the printed assignment from and including May 12 on, will be tried after the criminal assignment.

Award Bridge Contracts.
The county commissioners have awarded the contracts for the construction of the four bridges for which bids were received several days ago, as follows:
H. E. Williams, of the Illinois Bridge Company, of Chicago, was awarded the contract for the Utica

NERVOUS FROM OVER-STUDY

A Condition Which Parents Should Be Quick to Notice.

Proper Tonic Treatment Will Generally Prevent St. Vitus' Dance or Even More Serious Nervous Disorders.

Every person is endowed with a certain amount of nervous energy which is being constantly drawn upon by the work, worry and responsibilities of our daily life. It is also largely drawn upon during the after-effects of wasting diseases, as fevers. Unless these drains upon the nerves are replaced by nourishment from the blood, the nerves become overworked and exhausted and some form of nervous trouble results. The value of the tonic treatment with Dr. Williams' Pink Pills lies in the fact that these pills do not stimulate the already exhausted nerves to keep up their work for a time longer, but that they keep the blood pure and red, and in that way fully replace the nervous energy that has been used up. Mrs. Laura Schwambach, of No. 1214 East Missouri street, Evansville, Ind., says: "Last fall my daughter, Rosella, aged fifteen years, began to suffer from nervousness caused by overstudy. She was very thin, had but little color and would get nervous and excited over the least little thing. She would come home from school all worn out and grew so much worse that I had to take her out of school. Her appetite was poor and she was very restless at night. Very often she had to go to bed with sick headache. "She did not get any better under the doctor's treatment and as I knew of a case of nervousness cured by Dr. Williams' Pink Pills I decided to have Rosella try them. The pills gave her color and an appetite and she took them until cured and is now in good health. "If you are suffering from any nervous trouble, as neuralgia, sciatica, nervous headache, nervous prostration, nervous dyspepsia, St. Vitus' dance, partial paralysis or locomotor ataxia, send today for our new booklet, "Diseases of the Nervous System," which is free upon request. Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

Answer Filed.
In the case of Orrin B. Thompson vs. Mary E. Munselle and Rufus B. Munselle, the defendants have filed their answer, in which they deny all the allegations not specifically admitted. They ask that they go hence with their costs.

Answer of Defendant.
In the case of Alva A. Gard vs. the Western and Southern Life Insurance Company, a suit to recover on an insurance policy, the defendant has filed its answer, in which it denies any indebtedness to the plaintiff and asks to be dismissed with its costs.

PLAIN AND PRETTY.
For morning wear at home or in the mountains, a china silk blouse is almost essential, and we picture today a plain but pretty design for such wear. Use the large dotted white silk, with plaited plain silk trim, trimmed with bebe velvet ribbon for collar and cuff trimmings, as shown in sketch. A blouse of this type is exceedingly useful and comfortable.

IS INDIGESTION DOOMED.

A prominent specialist says it is unnecessary to suffer from indigestion or its attendant ills. Columbus, O., April 14.—The intense interest in the wonderful cures being accomplished in Columbus and other cities by Dr. Jackson's Digestive and Liver Powders continues unabated. Many cases of indigestion, rheumatism, stomach trouble, catarrh, dropsy, kidney and liver trouble and blood disease of years standing have been cured by this wonderful remedy and its fame is spreading far and wide and thousands of people are using it with wonderful results. One thing that makes this remedy so good, is because it replaces what is lacking in the weak organs and allows them to rest and grow strong again. The first dose is sure to relieve any case of heartburn, sour stomach, gas on stomach, palpitation of heart, shortness of breath, distress after meals and pains in the stomach. What makes this remedy more popular is the fact that a free trial box is sent by mail prepaid.

Those who wish to try it are requested to write to Dr. A. L. Jackson, Pres. of the Jackson Medicine Co., Columbus, O., or Zanesville, O., and they will receive a trial box and much information about the disease. All druggists sell the remedy. Look for Dr. Jackson's Picture on each package.

Why Pity the Farmer?
Mr. Mann of Gauda Springs loaded a large fat hog into his automobile and took him to market in Arkansas City, where he got a good price for the porker. It took him a mighty short time to get the hog to town and get the cash for it. A few minutes scrubbing food the auto so that it did not smell like a barnyard, and the hog probably enjoyed the ride. YOUNG COUPLE ELUDE PARENTS BY ELOPING

Married in Cincinnati Thursday and Return Same Day—Will Be Forgiven.

That Dan Cupid is found to have his way was again evidenced on Thursday when Miss Florence McIntyre, daughter of Mr. and Mrs. J. D. McIntyre, of 174 Ninth street, and Mr. Leslie George, a packer at the Everett glass house, eloped to Covington, Ky., secured a marriage license and were married in Cincinnati in the afternoon. Parental objection was the cause of their running away, the young lady's parents chief objection being that they thought her too young, as she is but seventeen years of age.

When an Advocate representative called at the McIntyre residence Friday morning and told the mother of having received a telegram from Cincinnati announcing the marriage, she broke down and said she suspected as much, as the girl left home Thursday morning for her work at the Cherry casket manufactory, and they in an ice crush off Alaska. The cash had been sent her since she had been in and four of the crew died from exposure trying to get to shore.

her best dress that morning, but finally went away in her working clothes. The parents thought she had been meeting the young man for some time just for she stated to them several weeks ago she would never marry anyone else, and when she did not return to dinner or in the evening they concluded the young people had been married, but nevertheless were very much worried over her absence all night. Mr. and Mrs. George were seen on the streets in this city Friday night and the parents were grieving this morning because they did not return home. They state that they will forgive the couple.

WRECKED IN ICE CRUSH

San Francisco, April 29.—Word reached here today that the steamer Stanley Coast was wrecked March 25 in an ice crush off Alaska. The cash had been sent her since she had been in and four of the crew died from exposure trying to get to shore.

ALEXANDRIA

S. J. Sipe and family are visiting relatives on the Welsh Hills since the middle of last week.

Samuel Graves received word last Saturday of the sudden death of his mother at her home near Monroe, Ind. Mr. Graves left Sunday to attend the funeral, which occurred last Monday.

Mrs. Douglas Willson of Croton, spent last Monday with friends in town.

Mrs. Leatherman of Centerville visited friends in town last Monday.

Ralph Stinson is ill at his home on West street.

V. J. Hammond and wife visited relatives in town last Saturday and Sunday.

The King's Daughters held their monthly thimble party at the home of Mrs. George Hillereth Thursday afternoon of last week. Luncheon was served to twenty-five guests. Mrs. Hillereth was assisted by Miss Lora Conrad and Mrs. S. Graves.

TURKS DELAY THE FIGHTING

Belgrade, April 29.—With 55,000 Albanians already in the field, the leaders have summoned every adult in their country to arm on penalty of being considered a traitor. The Albanians have the advantage of being familiar with the country and the Turkish troops are delaying the fighting today to await reinforcements.

FOOD FERMENTING CAUSES INDIGESTION

"I got a box of Mi-o-ma tablets for a distress in my stomach, and the first dose relieved me, and after I took the fourth I have not felt any more of it. I think it is a wonderful medicine." Hiram Smith, Watseka, Ill., July 27, '06.

If your stomach is out of order or distressed, no matter from what cause, Mi-o-ma stomach tablets will give instant relief, and if taken regularly, will prevent indigestion, acute or chronic, or any back.

Every sufferer from stomach trouble, gas, heartburn, sour stomach, nervousness, dizziness, and biliousness, should get a box of Mi-o-ma stomach tablets today and start a treatment.

In three or four days the stomach and bowels will be thoroughly purified, cleaned and renovated, the sourness will go, and pure, sweet breath will take the place of foul breath.

Continue the treatment for two weeks and your stomach will become so strong that you will be able to digest the heartiest food without distress. A few Mi-o-ma tablets will do this. Sold by druggists everywhere and by Evans Drug Store.

Breath's best for constipation, 25c.

Cures catarrh of money back. Just breathe it in. Complete outfit, including inhaler \$1. Extra bottles 50c. Druggists.

LICKING COUNTY HIGH SCHOOLS

Will Hold Oratorical Contest at Taylor Hall Friday Evening—Good Music Also.

The Licking county High School oratorical contest will be given at the Y. M. C. A. building tonight. There will be eight contestants. Good music will be furnished by four different high schools of the county. First, second and third prize silver medals will be awarded.

The oratorical contest will be preceded by a spelling contest on manuscript. The prize will be a Webster's Academic Dictionary. Spelling contest to begin at 8 o'clock.

Y. M. C. A. NOTES

Organization for the thirty-fifth year of work was the special job for the meeting of Y. M. C. A. trustees last evening. They met at supper time and adjourned shortly after 8 o'clock. The following officers were elected: Mr. E. S. Randolph, president; Fred C. Evans, vice president; Ed. M. Larson, recording secretary; and Henry Scott, treasurer. Dr. W. S. Turner, who has served most acceptably for the past year, asked to be relieved because of the pressure of his affairs, first made attendance difficult.

It was decided to plan another anniversary banquet like that of last year and Secretary Fraser and Dr. J. A. Mitchell were made committee to arrange it. A committee on budget was appointed: Dr. C. L. Wirth, C. H. Davis and Secretary Fraser.

A special vote of appreciation and thanks was tendered to Rev. J. A. Bennett for his great and telling work in making the Sunday Boy's meeting such a success.

W. J. Fraser was elected general secretary for the ensuing year. The other members of the employed force will be chosen at the next meeting.

Sunday meetings for men at 7 p. m. and for boys at 2 p. m. The meetings for men will continue through the month of May.

Your Boy

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Ayer's Sarsaparilla is a strong tonic, entirely free from alcohol.

Daddy's Bedtime

The Sparrow's Breakfasts With the Puppy

JACK and Evelyn had come home from Sunday school, and in the evening while daddy was in his usual place Jack and Evelyn said their teacher had read something from the Psalms about a sparrow on top of a house.

Daddy asked if it wasn't in the words "a sparrow that sitteth alone upon the housetop." He told them the words were in the One Hundred and Second Psalm. He also told of a sparrow Mrs. McFudge had pointed out to him one day as it sat alone on a housetop near by.

"I used to watch that sparrow," said daddy, "and wonder why it was nearly always alone. One day it flew down into the yard and chirped to a puppy that was eating his breakfast that had been put on the grass.

"The sparrow kept on chirping as it stood near the puppy. I think it was asking the puppy to give it some of his meal. Anyway, the puppy left some of his food and walked away and lay down. Then the sparrow hopped over to the unfinished meal, and the puppy watched it as it ate the crumbs. When it was through it flew up on the housetop.

"The next day the sparrow came back to the housetop and looked down. The puppy was not in sight, but after awhile he was let out, and again his meal was put before him on the grass. But he didn't seem very hungry. When he had eaten all he wanted, down flew the sparrow and lit on the spot where the puppy had left his breakfast and ate.

"When the sparrow flew back to the housetop the puppy barked and whined as if he were lonesome. The next day the sparrow returned again to the housetop and had another sparrow with it. After the puppy had his breakfast that morning he left some as before. Then a cat came into the yard and stole up to the meal the puppy had left. But the puppy chased it. When the cat got on the fence the sparrow and its company flew down into the yard and devoured what the puppy had left.

"The next day the sparrow did not come back, but the puppy left a part of his breakfast just the same. When the puppy had waited awhile and the sparrow didn't come, the puppy covered up the unfinished meal with dirt that he pawed up.

"Several days after the sparrow came back alone, and again it had the puppy's left over breakfast. The puppy barked as if he was very glad.

"This was kept up until finally the puppy moved away with the people who owned him. One day while the puppy was in the country he saw a sparrow in the yard, and the sparrow flitted about him. I think it was the same sparrow that used to sit alone on the housetop. The puppy acted as if he thought so too. Animals and birds always appreciate a kindness."

HOW TO CURE ECZEMA, PIMPLES, AND DANDRUFF.

We desire to say that when we took the agency for ZEMO, we were convinced that it was a valuable remedy for Eczema, pimples and dandruff. Yet, we must frankly admit that Zemo has far exceeded our expectations as a treatment for skin diseases. We are pleased to state that we shall continue the agency as ZEMO has given splendid results wherever recommended. Our customers like ZEMO too, because it is a clean vegetable liquid for external use.

ZEMO effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clear and healthy. It does not soil the clothing or linen and can be used freely on infants.

With every purchase we give a booklet on skin diseases explaining in simple words how any person can be cured at home of any form of skin or scalp diseases by this clean, safe, reliable remedy. T. J. Evans' druggist.

At Norton's Book Store will be a hummer tomorrow. Come early and get some of the splendid bargains.

Completes Work.
C. E. Cummins has completed his part of the Fourth Ward assigned him by P. C. Given, the Census Supervisor.

Will Build Garage.
W. H. Smith has taken out a building permit to erect a garage in the rear of 237 Hudson avenue. The building will cost \$150.

Mashed His Foot.
Harry Butch, who is employed in the furniture department of the Powers-Miller dry goods store, slightly mashed his foot this afternoon while riding in the freight elevator at the store. In getting off the car his foot was caught between the car and the floor. A physician was called but the boy's injuries are not serious.

Yellowstone Park Excursion.
T. T. Smith, 23 N. High street, Columbus, is arranging an excursion to Yellowstone National Park, starting July 5, stopping at principal points enroute. The party will travel on a special Pullman train, stopping six days in the Park and being absent from home 21 days. Everything provided. Competent guides. An ideal summer trip. For particulars address Mr. Smith at above address.

HEADACHES.

Are almost always caused by a deranged stomach, torpid liver or clogged-up bowels. To get prompt relief you must do something to help your stomach and bowels, right themselves and to produce a normal, satisfying, natural bowel movement. According to the

OBITUARY

JOHN B. ABBOTT.

John B. Abbott, aged 56 years, who with his brother has been in the contracting business in Newark for a number of years, passed away at his home, 62 North Seventh street, Friday morning at nine o'clock of valvular heart disease, which has caused his illness since last February and has kept him bedfast for the past two weeks. Mr. Abbott was born and raised in this city and leaves a host of friends, besides a number of relatives to mourn. The immediate relatives surviving are a wife, Mrs. Julia Abbott, a son, Louis, of the home; a daughter, Mrs. Mabel Kenney, of McConnelville; a brother, J. T. Abbott, of the Sharon Valley, and four sisters, Mrs. J. W. Alexander of this city, Mrs. Fannie Gray and Mrs. Melbie Ball of Columbus, and Mrs. Elizabeth Haynes of Detroit, Michigan.

Funeral services will be held at the home of the sister, Mrs. J. W. Alexander, 56 North Fourth street, Sunday at 2 p. m. Rev. E. S. Dillon, pastor of the Christian Union church of which the deceased was a member, officiating and burial will be made in Cedar Hill cemetery.

Bowel Tonic

For Old Folks

Free

No matter how sound and healthy old people are they still suffer with their bowels. The machinery of the system doesn't work as it did when they were young and active. But while you can't restore youth you can help to live more pleasantly.

That a sensitive old person needs a little help while people as they grow old and beyond, there is no doubt, but it is important that laxative is taken. Old people, women and except those who are in the prime of life, should avoid anything that gives a shock to the system and which at best is but a temporary expedient. Among these are pills and cathartic tablets, salts and purgative waters. They are too strong and only do temporary good. Not only that, but they temporarily harden the bowels next day.

What you want is something that will regulate the bowels and gain for them in the habit of performing a certain function at a certain time, while at the same time toning and strengthening the muscles of the stomach and bowels. Such a remedy is Dr. Caldwell's Syrup Pepsin, and if you have never used it let Dr. Caldwell tell you how to get it free of charge. In this way you can try it without cost. One druggist sell it at fifty cents and one dollar a bottle, and those who have used it will continue to buy it. It is pleasant to take, very effective and very economical as a household remedy, as all the family can use it. But Dr. Caldwell is eager to help old people and he will give you a bottle free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address: Dr. W. A. Caldwell, 1531 Caldwell building, Monticello, Ill.

Thousands of old people and heads of families are never without it. For in this way they cure and avoid constipation, liver trouble, indigestion, sour stomach, sick headache, dizziness, after eating, belching and similar stomach, liver and bowel disturbances. Mrs. Tillie Homan, 404 Waukegan street, Knoxville, Tenn., and T. H. Marshall, Salt Lake City, as well as thousands of others, attribute much of their present good health to this great laxative tonic.

SUNDAY SCHOOL WORKERS HOLD BUSY CONVENTION

Pataaskala, April 29.—The Lickin County Sunday School Convention convened in the M. E. church, this place, Friday morning at 9 o'clock, with a large attendance of prominent Sunday school workers present from all parts of the county.

The convention was called to order by the president of the association, Mr. J. M. Graham of Granville, after which devotional exercises were had by the Rev. A. A. Sayre. The rest of the morning session was taken up with the opening address by President J. M. Graham, and addresses by Mr. W. A. Holmes on "The Sunday School," and by Dr. C. J. Baldwin on "The Sunday School and the Church." All the addresses were highly interesting. Other speakers who will address the convention Friday afternoon and Saturday are Rev. F. B. Richey of Utica; Mrs. Phoebe A. Curtis, Columbus; Dr. J. A. Bennett, Newark; Rev. R. A. Bowden, Brownsville; A. R. Evans, Newark; Mr. J. H. Miller; Rev. D. J. Smith, Croton; Rev. W. W. Trout; Rev. T. G. Field; Mr. W. I. Woodin; Mr. E. Dow Bancroft, Columbus; and W. J. Fraser. Saturday morning the reports of the officers and department secretaries will be read and the awarding of banners, etc., will be made.

UTICA TEACHERS ARE RE-ENGAGED

The Utica Board of Education at its last meeting re-engaged all the present corps of teachers except Misses Adams, Hawke and Stevens. It is said that Miss Stevens expects to teach in Newark, which was her reason for not applying for her place there. Miss Beatrice Fairall was engaged to fill one of the Utica vacancies, and Mr. Teagarden of Newark, who is at present teaching at Hanover, was chosen as principal of the North End school building.

MRS. L. M. SMITH LEASES THE HOTEL HARRIS AT BUCKEYE LAKE PARK

Mrs. L. M. Smith, proprietor of the Hotel Smith, in this place, has leased the Harris hotel at Buckeye Lake Park for this season. The season opens May 1, and Mrs. Smith will have the hotel ready on time. The electric railway company has made arrangements to run all local cars both ways, by way of Buckeye Lake during the season and will give stop over privileges, allowing travelers any time they want, from one or two hours to any number of days.

Buckeye Lake is a most delightful place, and during the summer season has a population of 2000 to 2500, owners and renters of cottages, besides transient visitors. It is expected that this will be the most successful season the resort has ever had, as many improvements have been made during the past year, which, together with the concession made by the railway company will attract people in greater numbers than ever before. Mrs. Smith's reputation as a hostess caused the manager to request her to take charge of the Harris Hotel for the season, and she finally consented, and this improvement in the hotel service is also expected to be an added attraction to the resort.—Woodfield, O., Republican.

TO-NIGHT Carcarets

AMUSEMENTS

"THE MEDDLER" TONIGHT.

Augustus Thomas, generally regarded as America's leading dramatist, author of "Arizona," "The Witching Hour," "The Harvest Moon" and other great plays, supplies the offering of Hyde's Theatre Party at the Auditorium theatre tonight. When Thomas wrote "The Meddler" for the late Stuart Robson he fitted that famous comedian with one of the best parts of his illustrious career. Francis Eli, the "meddler," is best described by his old friend in the play, Captain Oliphant, who says: "I'd stake my life on Frank Eli's integrity—He's a dam fool, but he means well." The result of Eli's well meant interference in the affair of a married friend brings all sorts of complications, tragic to the participants, but intensely amusing to the audience.

VAUDEVILLE NEXT WEEK.

The management of the Auditorium theatre has secured at no little cost, Adelaide, America's foremost dancer, and girls with J. J. Hughes. This act is positively one of the best vaudeville acts that you will find in any house playing vaudeville and is also one of the highest priced. The people of Newark will not get a chance to see an act like this one again and it should be appreciated.

There are also four other acts with motion pictures and you can spend a very pleasant afternoon or evening at the Auditorium any day next week, beginning Monday, May 2, with the exception of Friday night.

"MISS PATSY."

Henry W. Savage will send to Newark a very strong company of comedians with "Miss Patsy," which is promised to patrons of the Auditorium on Friday, May 6. Among those in the cast are Gertrude Quinlan, who will be remembered for her splendid work as "Flora Wiggins" in "The College Widow," Frances Ring, Josephine Brown, Jennie La Mont, Thomas Meighan, Francis Winant, Hardee Kirkland, Dan Mason and a number of others of equal fame. "Miss Patsy" is the work of Sewell Collins, the brilliant cartoonist and author, and it ranks very high as a laugh-producer.

ORPHEUM THEATER.

Manager Feenberg is all smiles today for his bill for the latter part of the week is making a big hit. The program opens with a piano solo by Miss Pauline Beck, late of the Boston Conservatory of Music, and a finished musician whose selections

time jig that brings down the house.

When Arthur Deming made his first appearance last evening he was certainly made aware of the fact that his old friends had called to greet him and welcome him once more to Newark. Arthur is the same old fun maker of yore and his every move and action places his audience at once in a good humor. His gags are all new and up-to-date and his song hits are immense. If you want to feel good with yourself and all the world just drop into the Orpheum and spend a little time listening to Mr. Deming's potpourri of funny sayings.

The Lambert Trio proved one of the best acts seen at the pretty little play house this season. The child member of the company is a finished little actress and her songs brought down the house. The two older members are clever musicians.

The amateurs that have entered the contest for tonight include: The Alpine Trio, boys who say they are clever sketch artists; Raymond Jarvis, novelty act; Bob Murphy and Joe Cox, singing and dancing; Williams and Johnson, who play musical instruments; Yiddle on your fiddle, play some Rag Times, Taylor and Herman; Bill Leonard, "By the

BIG CIRCUS WILL EXHIBIT IN THIS CITY TOMORROW

Circuses are such old institutions that one would think managers could never get anything new for their programs in these late days. That this is not true, is due to the fact that the managers spend about half of their time thinking out new acts or novel elements for old ones.

This is the most important function of the circus business and success is proportionate to fertility of imagination. If the manager cannot think out new plans, he must give place to somebody who can. For the public is not to be lured year after year into an arena where the same tricks, elephants do the same tricks; where the riders wear the same costumes of the year before and the acrobats do not jump any higher than they did during the previous season.

So it happens that this year is to have some new things in the circus line.

The engagement tomorrow of the shows combined raises the question of what this season is to bring forth that will not bore the circus devotees of ten or twenty seasons standing and what will make the circus worth while.

Of course the greatest feature is the wonderful trained wild animal act given in the steel arena. All kinds of wild animals are assembled in one large cage and made to perform most astounding feats. The only show having this wild animal feature.

The words "Human Birds of Passage," would mean anything to the average man until he saw them on the billboard two weeks before the circus was due, and even then he would have to think hard before grasping their significance. The "Human Birds," of whom the managers speak so affectionately, are the most expert representatives of those aerial contortionists who learn to forget there is such a thing as distance or dizziness when they find a perch on a tray, forty feet above terra firma. This variety of the genus avis has heretofore generally flown in pairs. The new wrinkle with the Hagenbeck-Wallace shows is to have a flight of eight of them at a time and it is asserted by the circus agent that never before in the history of circuses has a flock ever equalled the eight Delnos gathered together to delight the public.

Numerous acrobatic performances are announced but particular attention is called to the great Tasmanian Sisters, six in number. They accomplish most marvelous gymnastic stunts. The Trompe LeCarnet of wire walkers perform feats on a slender cable stretched thirty feet in the air, that the ordinary performer would find difficult in performing on the ground. There are but a few of the many features announced in preliminary proclamations. There will be all of the regulation acts that a big circus should have and many performances

that no other circuses have over or will they ever present.

The big free street eye feast which takes place at 10 o'clock in the morning is bigger and more attractive than ever. There is combined the two richest and most stupendous wild beasts, arena and allegorical parades on earth. A most varied, impressive and fascinating spectacular demonstration ever attempted. There will be a band concert an hour before each performance, which are free. The performances start at 2 and 8 p. m., and owing to the latest invention in waterproofing, in case of rain the patrons are protected and the performance given in their entirety.

BEECH WOODS

Lewis Winegardner and Erwin Miller were business visitors at Bremen Thursday where they were having repairs done for their well drilled.

D. N. Bell, editor of the Thornville News, has been confined to his bed this week and under the care of his physician, and is but slightly improved and it will be several days before he is able to be at his work again.

Among those who were Lancaster visitors Saturday were Chas. Spohn, John Drum and J. R. Smith etc.

Earl Lone has completed his new residence and expects to move in a short time.

Rev. J. C. Cupps of Lincoln, was here Sunday and filled his appointment at Drums church and Oaktorpe.

The Democratic primary of Fairfield County now promises to be more popular than formerly with the common people. Lancaster is already a modern media with hundreds of people discussing their favorite candidates. More interest is being manifested than in presidential elections.

George Gourdan and wife of Bruno have been the guests of the latter's mother here this week.

Wm. Binckley will be chosen Democratic Central Committeeman for this place and H. I. Drum will be chosen County Delegate at the coming primary election to be held Tuesday May 13th.

Lou Baker has purchased a new automobile.

Allen Stuch who has been at the St. Francis hospital is reported better. Quite a bit of excitement was caused Friday eve at the cross road south of Bruno, the residents of that city were aroused about 10 o'clock from what they supposed to be the heaviest cry of some woman. They immediately went to the scene where they found other people had gathered from all parts of the country but no trace could be found that anyone had suffered in the least.

Ira Peters is moving his barn to a site south of his residence where he will build an addition to it.

Ed Gilmore was a business visitor at Lancaster Saturday.

GRANVILLE TO ENTERTAIN CHANCELLORS

Quarterly Convention of Nineteenth Pythian District to Meet in Historic Old Village—News of College Town.

Granville, April 29—All the arrangements are now completed for the quarterly convention of the Past Chancellors of the Nineteenth Pythian District, which is to be held in Granville on Wednesday, May 1, in the lodge room of Altamaha lodge, No. 296. Word has been received from all over the district that the Past Chancellors are coming to Granville on next Wednesday in large numbers.

As will also many members of Pythian lodges. The indications are that the coming convention will be one of the largest and most successful ever held in the district. Invitations have been extended to subordinate lodges, and it is quite likely that half a hundred or more Knights from Newark will attend the convention. A big program has been prepared, which will include addresses from prominent members of the order. Arrangements have been made for excellent music to be supplied during the evening. A buffet lunch will also be served during the evening.

Mr. James H. Dull, census taker for Granville, is a hustler, and is making rapid progress in his work. He has completed his work on the north side of Broadway and is now engaged in making the census on the south side of the street. Mr. Dull is well pleased with the treatment he has received at the hands of our people, and has no complaint to make.

Mr. and Mrs. M. F. Berry of Hillsboro, O., who have been visiting relatives and friends in Granville and vicinity for some days, left for their home Friday morning, after having had a very pleasant visit.

"Jimmy" Adair, 99, who made a short visit with friends in Granville during the spring recess of Denison, has come to Aberdeen, S. D., where he has accepted a fine position in a large wholesale grocery. This firm is the one to whose prosperity "Ken" Jewett has been contributing his services since his graduation last spring.

Mrs. Karl Ashton has gone to New York City where she will spend a time visiting the family of her brother, Mr. Edwin G. Grandstaff, who is super-

visor of the Electrical school of that place.

Mr. and Mrs. Thornton Bailey of Chicago, who have been visiting old time friends in and about Granville for the past week, left for their home Friday.

Prof. W. H. Johnson has gone to Chicago to attend the Classical Association of the Middle West and South. While there he will be the guest of Prof. C. F. Castle.

A meeting of the old soldiers of this vicinity will be held in the Municipal building Saturday evening at 7 o'clock for the purpose of making arrangements for the proper observance of Memorial day. All survivors of the Mexican, the Civil War and the Spanish-American war are invited.

Mrs. Mary Burkham, who has been quite ill at her home on East Elm street for some time, will be taken to a hospital for an operation as soon as she is able.

The members of the class of '65 of Denison, have decided to hold their class reunion this year during the commencement week.

Saved Daughter's Life.

This Father Refused to Let His Daughter Die.

Here is a story with a moral that many parents might take to heart.

"My daughter was very pale, nervous, thin, and suffered with severe pain in her back, so that we took her out of school. Her flesh became blue and she could not retain her urine. I spent over \$100 for medicines, but she grew worse. Finally I bought a bottle of Thompson's Barosma and she began to grow better right away. Five bottles of Thompson's Barosma made a complete cure, and today she is a perfectly healthy girl. Thompson's Barosma saved her life, for she was falling so fast that death was not far off."—Frank D. Meeder, Pleasantville, Pa.

This letter will not surprise many good people in Newark and vicinity who know from actual experience what Thompson's Barosma, the safe and sane treatment and certain cure for all kidney, liver and bladder diseases will do.

If you are troubled with backache, side ache, weakness in the back, or any liver or kidney trouble, then it's time for Thompson's Barosma.

W. A. Erman & Son sell Thompson's Barosma in two sizes, 50 cents and \$1.00, and they guarantee it to cure Bright's disease, diabetes, high colored urine, bed-wetting, and all other kidney and liver diseases. It will make anyone vigorous in a few weeks, because it is a great tonic and maker of rich red blood.

POLICE WARN CITIZENS TO GUARD HOMES

Residents of Newark are warned to be on the lookout tomorrow, for Saturday is circus day and with every circus there are bound to be a bunch of sneak thieves and pickpockets. The management of the big shows do all in their power to prevent the work of the criminals, but in this they must be assisted by the local police.

To this end Chief Zergiebel will have on a large number of special policemen in plain clothes, and a close watch will be kept for the "dips" and sneak thieves. If you leave the house tomorrow you are warned to see that every thing of value is carefully locked after and that the house is properly locked up.

If the people of the city notice any suspicious characters hanging around in the residence district, they are asked to call No. 43 over either phone and an officer will be sent at once to investigate the call. Chief Zergiebel is anxious to have a "clean" circus day and issues this warning to the citizens of Newark so they can aid the police in protecting the interests of the people.

GIVE YOUR STOMACH A CHANCE

To Furnish the System the Necessary Fluids to Drive Dyspepsia From the Stomach.

A Trial Package Free. You should give to your stomach the chemicals it needs to restore tone, vigor and health to the gastric fluids. Food contains all these ingredients so necessary, and when the stomach is in a normal condition it separates these ingredients as it should, and manufactures its own digestive agents, but when it is sick and sore, filled with acids and alkalies that irritate everything they come in contact with, it does not get at the food as it should and cannot make its own juices correctly.

Science has proven just what is most necessary to the stomach to produce the correct gastric fluids and to make of digestion a naturally pleasant duty.

Stuart's Dyspepsia Tablets are so made as to give the stomach the highest chemical properties to aid digestion. These tablets are made from pure fruit and vegetable essences, and this is the formula: Hydrochloric Acid, Lactose, Nux, Acetic Peppin (the highest digestive known), and Jamaica Ginger. Its preparation peculiarly preserves the full strength of these ingredients, so that they go into the stomach strong and capable of digesting food of any character. Forty thousand physicians use and prescribe them. Ask your doctor his opinion of the formula above. Every druggist sells them, price 50 cents per box, or send us your name and address and we will send you a trial package by mail free. Address: F. A. Stuart Co., 150 Stuart Building, Marshall, Mich.

SUMMIT STATION

John, the eight-year-old son of Mr. and Mrs. J. M. Slane, narrowly escaped a serious injury Saturday. The lad, in company with a number of other boys climbed on a wagon driven by Mr. Helphrey, and to which were fastened a corn cultivator and a buggy which he was taking home. The boy fell off the wagon and the cultivator, and a buggy both ran over him. He was taken to Dr. Bee's office, where a bad cut in the back of his head and other injuries were dressed.
